    - a. N/A
  5. New Business
    - a. SGA Virtual Suggestion Box
      - i. Senators have come together to build a suggestion box through a virtual connect for students that allow students to make suggestions and or inquiries from students who can easily access the resource that is Student Government.
        1. The goal is to be more accessible to the student body as far as what we can do for them in regards to student matters.
      - ii. Resolution has been passed
    - b. Rest/napping space for students on campus
      - i. Goal of this resolution is to allow for a space for students to rest and recuperate from the tolls of being a student in a college environment. Whether it be rest before work, or a cool down after a hard test, this would help students in having a space to be able to relax and find a space of comfort in the University.
      - ii. Possibilities of different spaces for the resting area
6. Announcements
  - a. Concert is approaching, let other students know and get ready for a good time
